LIVE UNITED 
United Way of Lackawanna and Wayne Counties

Wayne County edition

INVEST IN THE COMMUNITY. MAKE A DIFFERENCE. GIVE UNITED TO LIVE UNITED!

What is the United Way?

Over the past three years, the United Way of Lackawanna and Wayne Counties has distributed more than \$100,000 to more than a dozen community and human service organizations providing critical programs and services in Wayne County.

With your help, the United Way continues to improve lives by funding programs and creating special initiatives that get to the heart of problems and create lasting changes right here at home.

What does it mean to LIVE UNITED?

Living united means being part of the change. It takes everyone in the community working together to create a brighter future for us all.

We believe that everyone deserves to have a good life: a quality education that leads to a stable job, enough income to support a family through retirement and good health and wellness. That's why we're focused on the building blocks for a good life:

- **Education** - Helping children and youth achieve their full potential
- **Income** - Helping families and individuals become financially stable and economically independent
- **Health** - Improving health and wellness for people of all ages

UNDERNEATH EVERYTHING WE ARE
UNDERNEATH EVERYTHING WE DO
WE ARE ALL PEOPLE. CONNECTED.
INTERDEPENDENT. UNITED.

In times like these, we need each other more than ever. The good news is that together—UNITED—we can do more, help more and make more of a difference than any of us could ever do alone.

LIVE UNITED 

Right here in Wayne County we are working everyday to advance the common good and create a better life for all.

We all win when a child succeeds or when families are financially stable and when people enjoy good health and wellness. We invite you to be part of the change. Join us and **LIVE UNITED!**

LIVE UNITED in 3, easy steps!

1. GIVE.

Your generous gift inspires hope and creates opportunities. Direct your gift to Wayne County Services, and volunteers from Wayne County will review grant applications from organizations working to help Wayne County residents. These dedicated volunteers invest your contribution where it will do the most good and carefully monitor the funded programs and special initiatives to ensure measurable results. You may also choose to direct your contribution to the United Way of your choice, a targeted care area or specific 501(c)3 organization. **Rest assured that 86 cents of every dollar raised goes directly to making a difference right here in our community.**

2. ADVOCATE.

Making our community a better place begins with you! Start by getting informed and sign-up at www.uwlc.net for our e-newsletter. United Way needs people who are passionate about local issues to join us and champion the cause.

3. VOLUNTEER.

You have special talents and ways you can help. Whether it's reading to children, serving as a volunteer income tax preparer for low-income tax clients or delivering meals to homebound seniors, there are hundreds of ways to roll up your sleeves!
