The Gift of Warmth

United Way Emergency Heating Fund

We are very grateful for your business and truly appreciate working with you.

Rather than simply expressing our gratitude with a holiday gift, we've made a donation in your name to the United Way Emergency Heating Fund in support of our neighbors most in need.

Because of the skyrocketing cost of heating fuel, this winter will be very difficult for many families and seniors in our area.

In this season of hope, we are grateful for all that we have and this opportunity to bring the gift of warmth to those most vulnerable.

Happy & Warm Holidays.
