UNITED WE FIGHT.

Problems.

The ones most people shy away from.

The ones nobody talks about.

The ones that seem impossible to solve.

We go looking for them.

In every city and every town throughout Lackawanna and Wayne Counties.

We find every dollar we can to address them.

But, we're more than fundraisers.

We are the handraisers.

The game changers.

The stop-talking-start-doing and take on the impossible task-masters.

No matter the obstacles. No matter the odds.

But, we need your help. Please give.

UNITED WE WIN.
